

## Payroll Outsourcing

Are you finding it a challenge to deal with the payroll for your employees? Is doing your payroll taking up time that would be better spent in other areas of your business? Do you miss the odd deadline or find it difficult to remember what to send Revenue and when?

Then we can help you. Our payroll department has vast experience of dealing with all levels of payroll. We look after sole trader businesses right through to multi-nationals. We help with businesses in the service sector through to the manufacturing sector.

We can supply you with the complete payroll service, including:

- Calculations of net pay, PAYE and PRSI, emergency tax and holiday pay.
- Statutory returns including P30's, P35's, P45's, P60's.
- Registering your employees with the Revenue.
- Preparation of weekly, fortnightly, monthly and annual payrolls.
- Issuing payslips in both standard and security format.
- Electronic fund transfers.
- Provision of wage analysis reports as required.

We cater for all employee categories and can provide advice on all types of issues, including handling maternity, sick leave and pension issues.

In fact even if you don't need a full payroll service, we can help and advise you on any payroll issue you come across.
