

Hospitality Consulting

Do you work in the hospitality and leisure sector?

Then you have come to the right place. We're committed to providing solutions to the hospitality and leisure sectors that will help improve business performance. We do this by using a variety of analytical methods with innovative and creative solutions.

Our aim is to help business managers to be able to make sound business decisions and implement strategies and plans that result in cost reduction and profit improvement.

We have worked extensively in the hospitality industry and possess a broad range of operational, strategic, analytical and accounting skills. We can provide you with a full range of specifically tailored accounting, business advisory and tax services.

Cost-effective outsourced accounting and payroll solutions

We can provide a cost-effective outsourcing solution for your business, encompassing payroll, bookkeeping, management accounts and consultancy services. This allows you to focus on running your business and to concentrate on the core areas that fuel financial health and growth. We have extensive experience in outsourcing to the hospitality industry.

For more than 30 years we have been successfully providing outsourcing services to businesses ranging from small family-run operations to multinationals. We tailor our services to each client from a payroll-only solution to a fully outsourced accounting department.

Our outsourcing solutions can include:

- Total payroll service dealing with numerous pay rates, filing, payslips and everything you need to be fully compliant with Revenue requirements.
- Maintaining all accounting books and records.
- Completing all VAT and PAYE/PRSI returns for filing with the Collector General.
- Preparation of monthly/quarterly reports based on management's specific requirements.
- Preparation of the annual accounts, including audit files for auditors where that applies.

Business recovery expert solutions

We have the experience and expertise to assist businesses in the hospitality and leisure industry that are underperforming or experiencing financial difficulties. We can work with the key decision makers in these businesses to find solutions to their current challenges and implement a survival

plan.

Our work can encompass a variety of areas including:

- Business planning.
- Business health checks and benchmarking.
- Survival strategies.
- Business performance improvement.
- Menu engineering and costing.
- Market research and feasibility studies.
- Marketing and promotional plans.
- Staff training.
- Alternative property usage.

Other value added services

With our knowledge and experience, we can assist you in many other ways, including:

- Stock control.
- Annual budgeting.
- Staff incentives.
- Project management.
- Succession planning.
- Sourcing finance.
- Tax health checks and planning.
- Acquisition, merger and disposal.
- Company secretarial.
